

# Fort Morgan Waiver Procedure

- Pilot must open NOTAM 30 minutes in advance of flying in waived airspace.
- Open NOTAM by calling **Prescott FSS 877-487-6867**.
  - Request to post NOTAM something like: “Aerobatic activity xx zulu to yy zulu - 2 nm radius around FMM surface to 4000’ AGL.”
  - Give them your name and phone number.
  - Sometimes they have the previous NOTAM on file. There is one from March 23 under Duncan’s name.
- Call **Denver Center Air Traffic Control** and advise the same minimum 30 minutes before flying
  - First phone number is **303-651-4245**
  - Second phone number **303-651-4252**
  - These people sit close to each other in Longmont and coordinate overall air space for civil and military operations. You must **call both** numbers.
- You can call all three of these numbers before you leave for FMM if you wish so box is open upon arrival.
- At FMM, read the full waiver and **fill out the log sheet in the FBO office.**
- Go Fly. Be safe. Residences are on south side of box. Avoid as practical to be good neighbors.
- Call all three number when you are done and **close session**.
- Full Waiver and this procedure are on the IAC Chapter 12 website.

PILOT WAIVER ACKNOWLEDGEMENT

I have read and I understand the conditions of this certificate of waiver. I agree to comply with all of its provisions.
